**Day Camp - Ages 6 - 17**

**Day Camp** is for those campers who want the camping experience, but who don’t want to miss the action back home. As a Day Camper you participate in the same daily activities as Resident Campers with no limitation or restrictions! On Thursdays we offer a sleepover for all Day Campers who want to try out the sleep-away camp experience.

Transportation is provided each day for local Cortland youth to camp as well as lunch for all day campers at no extra charge.

**Resident Camp - Ages 8 - 17**

**Resident Camp** is our traditional overnight camping experience. At Resident Camp we provide the opportunity for your child to grow, learn and experience new and exciting activities in the safety of our supervised program. Resident Campers explore many different activities and immerse themselves in the weekly theme, all while making new friends with their cabin mates. Your child will never forget the experience!

**Tent Camp - Ages 8 - 17**

**Tent Camp** is a nature intensive program where campers sleep in a tent outdoors each night and have their own special campfire most evenings! Tent Campers will have the opportunity to cook many of their meals over a campfire and learn outdoor living skills. Though this is a nature intensive program, Campers will continue to participate in the weekly themes and many of the activities. *(Weeks 2 - 5)* Limited to 12 Spots!
