

# ***4-H CLOVER DISPATCH NEWS LETTER***

The 4-H newsletter, the **CLOVER DISPATCH** is sent to 4-H families and friends on a monthly basis. Throughout the 4-H Calendar year we will be reporting club happenings, calendar events and workshops in the county.

## ***Due to budget restraints we are going electronic!***

The 4-H Clover Dispatch newsletter for Cortland County will be available on the website at [cortland.cce.cornell.edu](http://cortland.cce.cornell.edu). Cortland County 4-H will be combining all 4-H news to one location, where most of all downloadable forms and publications will also be available to all.

Parents and volunteers along with youth and clubs will be able to pre-register for workshops, pre-registration for fair, along with “dated” certificate mandates.

For the coming year, we are still offering a printed hard copy to 4-H families who wish to have one mailed to their home, but our intent is to go to an all-electronic format by the 2015-2016 year.

## ***We can suggest these options.***

1. View the 4-H Clover Dispatch online at school, a friend’s house, or the public library at [cortland.cce.cornell.edu](http://cortland.cce.cornell.edu).
2. Have a friend download a copy for you.
3. To indicate your choice for electronic or to receive a hard copy of the 4-H CLOVER DISPATCH newsletter, please *FILL OUT THE BOTTOM COUPON*.
4. Leaders - Please make sure all your members are receiving the newsletter.

## ***CUT & RETURN YOUR CHOICE***
